

Sketch of the Month

July 2010

www.inky-fingers.co.nz

Ideas for this month's Sketch:

- Rotate the sketch to use portrait photos, putting the title and journaling at the top or bottom
- Use buttons, brad, i-top or memorabilia in between the photos
- Replace either the title or the journaling with embellishments or patterned paper
- Replace one photo with two smaller photos, getting three or four pictures on your page
